COMPANY OVERVIEW:

- Cabras Marine Corporation (CMC) is a Woman-Owned, HUBZone certified, Small Business enterprise established in 1975.
- CMC's 100% U.S. Flagged fleet is the largest and most diverse fleet in the Marianas, available to provide the leading service in the marine industry and support maritime operations throughout the Pacific and Indian oceans.
- CMC's Pacific Dry-dock and Integrated Maintenance (PACDIM) Facility is a seven (7) acre ocean-front Industrial-Zoned property, with seven hundred and twenty (720) linear feet of pier-space and to support CMC's full-service shipyard and marine operations.
- CMC is ISO 9001-2015 (Quality Management System) certified. Certification was achieved by RINA.
 Certification No.: 30576/14/AN
 Compliance Activities: Ship Repair, Harbor Tug and Pilot Services, Tug and Barge Services
 Locations: Guam and Saipan.
- CMC maintains the safety of vessel operations in accordance with a Safety Management Systems (ISM Classification Societies: RINA, American Bureau of Shipping (ABS), and Bureau Veritas (BV).

SERVICES PERFORMED:

- Pilotage / Harbor Docking and Undocking
 - Our veteran pilots provide 24-hour pilot services and have extensive experience in assisting commercial and military ships of all sizes and specifications through a full range of harbor maneuvers.
- Ocean and Coastal Towing
 - We offer port-to-port towing and transportation services for vessels, equipment and other cargo to destinations throughout the Western Pacific.
- Ferry and Water Taxi
 - Our crew boats maintain crew and cargo ferry services for the U.S. Military Sealift Command's Maritime Prepositioning Ship Squadron 3 in Guam and Saipan.
- Ocean Fuel Delivery
 - We transport and deliver up to 6,000 barrels of diesel to offshore vessels, including to the U.S. Military Sealift Command.
- Oil Spill Prevention and Response
 - Our comprehensive spill response program focuses on safe and compliant on-water operations for prevention, containment, and recovery of oil and fuel spills.
- Ship Repair and Industrial Services
 - Ship fitting, pipefitting, water blasting, deck repair, painting, present mechanical services, scaffolding services, electrical motor rewinding, crane services and more.
